Are You at Risk?

Stroke Scan Plus will host a stroke and vascular ultrasound screening at St. Peter school cafeteria, Wednesday, Sept. 10. Day and evening appointments will be available to accommodate most working schedules.

Do you have high blood pressure or high cholesterol? Do you have a family history of heart disease, stroke or diabetes? If any of these are true, do not miss this opportunity for early detection of a possible serious disease. Several people have been identified with previously unknown health issues through this screening process.

These ultrasounds are typically NOT performed at annual check-ups, nor will insurance companies pay for them unless you are symptomatic. Collectively, these screenings cost thousands. Stroke Scan will be offering them to you for \$169 for all 7 combined. Insurance is NOT necessary to receive this discount. However, pre-registration IS necessary and appointments are limited. Please call 1- 866-935-7226 to schedule an appointment today.
