The Holy Bible is like a mirror before our mind's eye. In it we see our inner face. From the Scriptures we can learn our spiritual deformities and beauties. And there too we discover the progress we are making and how far we are from perfection.

Stroke Scan, Plus will host a stroke and vascular ultrasound screening here at St. Peter cafeteria, Wednesday, September 10. Day and evening appointments will be available to accommodate most working schedules.

Do you have high blood pressure or high cholesterol? Do you have a family history of heart disease, stroke, or diabetes? If any of these are true, do not miss this opportunity for early detection of a possible serious disease. Several parishioners have been identified with previously unknown health issues through this screening process.

These ultrasounds are typically NOT performed at annual check-ups, nor will insurance companies pay for them unless you are symptomatic. Collectively, these screenings cost thousands. Stroke Scan will be offering them to you for \$169 for all 7 combined. Insurance is NOT necessary to receive this discount. However, pre-registration IS necessary and appointments are limited. Please call 1- 866-935-7226 to schedule an appointment today.
