## What is the Feast day of Our Lady of the Rosary?

The Church celebrates the Feast of Our Lady of the Rosary on October 7. On this day, we celebrate the defeat of the Ottoman Empire in the Battle of Lepanto on October 7, 1571. Even though the Turkish forces were very powerful, the Christians won due to the intercession of Mary and the prayer of the Most Holy Rosary.

## October | The Holy Rosary

The Holy Father's Intention For collaboration between different religious traditions:

*Let us pray that believers in different religious traditions might work together to defend and promote peace, justice and human fraternity.*

Notable days in October: **The Feast of St. John Paul II is October 22.**

October is another month dedicated to Mary! Why so much concentration on Mother Mary? Because looking at Mary is seeing God in her. It's like when you visit a very kind and holy person, but you realize you aren't looking at them so much as experiencing God's love for you through them. That's Mary! Her fiat, her purpose, and her love for us and our love for her are all about *God*. This month, the love is focused on the Holy Rosary. Through the Holy Rosary, we meditate on God's Word. The Gospel becomes embedded in our hearts, and Mary holds our hand to Jesus Christ.

“When people love and recite the Rosary they find it makes them better.”
